

EZEQUIEL ABADIE PARODI

B. Jardín Miraflores F8, Luján, Mendoza | +542613618060 | ezeqabadie@gmail.com

PROFILE

Second-year Information Systems Engineering student with a GPA of 8. Possessing a strong background and experience in mathematics, I am committed to continuous learning and development in the field. My solid mathematical foundation, combined with my passion for acquiring new knowledge, equips me with the analytical skills needed to excel in engineering.

EDUCATION

SYSTEMS ENGINEERING | 2023-PRESENT | UTN-FRM

- Average 8
- All subjects taken and passed to date.

BACHELOR'S DEGREE IN ECONOMICS | 2022 | COMPAÑIA DE MARIA

- Graduated with an average of 9.

ENGLISH C1 LEVEL | 2022 | ENGLISH PATH LONDON

- I traveled to London in February 2022 to take classes and take the international C1 level exam, which I passed.

SKILLS AND ABILITIES

- **Languages & Level:** Native Spanish - English C1 Level
- **Computer Skills:** Word, Excel, Java, C, C++, Python to develop and maintain applications.
- **Robotics:** Experience with Arduino, including programming and assembling a robotic arm.
- **Personal skills:** I enjoy solving problems and I define myself as Efficient, Creative, Organized and Leadership.

RELEVANT EXPERIENCE

MATHEMATICS OLYMPIAD (2020)

- Participated in the Mathematics Olympiads, showcasing advanced problem-solving skills at an early stage.

ENTRANCE EXAMINATION (2022)

- Successfully passed the mathematics and physics entrance exams required for admission to the Systems Engineering program.

JAVA PROJECT:

- Developed a foundational Java model, including classes, packages, declarations, and implementations, to solve function-based problems.

FINANCE SECRETARY, STUDENT CENTER:

- Managed the student center's budget and resources, ensuring efficient financial planning and fund allocation.
